A12-LF3

Primary: 120 V, 60 Hz
Secondary: 2 x 6000 V at 20 ma
Rating: approx. 275 VA
Insulation System: 180 °C
Temperature Rise: 80 °C
Maximum Ambient Temperature: 164 °F (40 °C)

Primary Leads Approx. 16" Long

Note: Start of each secondary (midpoint) is grounded to core and case.
12000 V is available between two bushings and 6000 V to core from each bushing.
